

REMARKS

The office action of November 22, 2006 has been reviewed and the examiner comments carefully considered. The examiner is thanked for indicating that the subject matter of claims 36 and 52-60 are allowable.

Claims 27-31 were withdrawn from consideration and these claims have been cancelled to place this application in condition for allowance.

The examiner rejected claims 46-51 and 61-63 on the grounds of non-statutory obvious type double patenting in view of applicants prior patent 6,656,241. A terminal disclaimer is filed concurrently herewith together with the requisite fee which will obviate this ground of rejection.

The Commissioner is authorized to charge any fees necessary for the submission of this amendment or the associated Terminal Disclaimer to Deposit Account No. 16-2025. Claims 36 and 46-63 remain in this application and are believed to be in condition for allowance and favorable action is respectfully requested.

Respectfully submitted,
